Grayling to Host Little League Tourney on July 18-19-20

By Harry Miller

Grayling hosts a Little League tourney on July 18, 19 and 20. Competing teams are Grayling, West Branch, Alpena and defending state champs Huron Shores of Alpena.

All teams should be comparatively strong and will be giving their all to advance to the Regionals. Word is received that the state championship will be held in Alpena this year. Plan to see some of these action ball games.

Last week the major league managers selected a 14 man squad to represent Grayling. Derek and George McEvers, coming out of retirement, will manage these boys and try to mold them into a strong team. First practice was Friday July 5. Allstar team selected is Jim Hulbert, Jerry Gildner, Dan Mc-Clain, Mike Hoffman, Kevin Zimmerman, Doug Duncan, Chris Gionick, Tom Vajda, Jim Skolasky, Wayne Westervelt, Ed Harwood, John Thompson, Burt Kaiser, John Tobin. Alternates are Steve Armbrust, Randy La-Vack, Mark Doty, Doug Hinkle, Pat Money, Dennis Theaker, Cliff Bonamie, Tim Evans, Curt Evans, Pat McIsaac, Kevin Schilbe, Carl Gildner, Chris Weaver, Ron Everson, Miles Day, Mienz Meisel, John Duley, Roger Kolb.

In Little League the week of June 27, rain hampered action. Military was deeply entrenched in first place. Moving along smoothly, firmly trapping Soren- sons 8-1 and 7-3, Kaiser, and

Thompson for Military showed masterful control of the game, along with some lusty hitting. The Moose, storming out of the bush, frightened the Legion and trampled them in the dirt 8-4 and 13-2, to move into second place tie with Sorensons.

The July 3rd games will be the last until after the tournament. On July 1st the Legion broke loose with a lopsided victory over Sorenson 18-1. Legion bats were alive and Jim Hulbert was a master on the mound. In a makeup game July 3rd the Legion made an about face and were completely bewildered when the Military force moved in and behind John Thompson, who pitched a no-hit no-run game, scored 7-0.

July 2 Military slaughtered the Moose 7-3. Burt Kaiser had the game under control through- out, however, in the 6th Moose moved and scored 3 runs, to fall short of a comeback.

As the first half of the season closes standings are:

Military	8	1
Sorensons	4	5
Moose	4	5
Legion	2	7

Four Guard Units To Arrive This Weekend

4th Celebration A Success

The Fourth of July celebration sponsored by the Grayling Fire Department was a great success. Following the noon parade a large crowd watched the firemen put on a water battle, and soon some spectators joined in and gave the audience some exciting moments as well as some wet ones.

The greased pole climb, as in the past, was the crowd pleaser of the day. Many children and a few adults tried for the money prize on the end of the pole. The sack foot races were a delight to the younger children.

Almost everyone in the park had red stains around the mouth from the free watermelon, and many youngsters showing large smiles on their faces presented a picture of happiness.

Rain curtailed the egg toss contest and most everyone left the park, but returned to watch the fireworks that were set off at the park. Everyone seemed to be pleased with the 45 minutes of colorful display.

The Department apologizes to those merchants they did not contact during their fund drive. Circumstances made it impossible to contact all of them. Because of this the Department is in trouble for next year's celebration, and will gratefully accept any or all donations sent to them or given to any member of the Department.

At this time they wish to thank the Moose members and the many people and organizations who gave time and effort to help make the Fourth such an enjoyable one for so many persons.

4,000 TARGETS IN MEET SUNDAY

Shooting began at 11:00 a.m. and lasted until 7 p.m. at the Grayling Sportsman's Club last Sunday before the last target was thrown and shot at.

Winners of events were Dick Sieland of Mio, who scored 99-100 16-yard targets, Curly La-Motte with 93-100 handicap targets, Phil Miller with 44-50 doubles targets, and Curly La-Motte, with the high overall score of 230-250 targets.

The shoot-off for women's trophy was won by Barbara Sieland of Mio, who beat Mrs. Walter Jump of Petoskey after they had tied each other in 16-yard targets.

At the end of the shoot Arnold Hubbell was presented with a special award by the club for promotion of the shooting sport and sportsmanship.

SHERIFF'S DEPT. REPORT

The following persons appeared before Justice of the Peace Olin Williamson Monday: Charles Wallace Bunker, 18, of Saginaw, on a concealed weapons charge; William Henry Lawrence of Grayling, on a breaking and entering charge. They waived examination, and bond was set at \$1,500 each. David Allen Ray, 18, of Grayling, on a larceny charge was fined \$50 and \$15 court costs, which was paid. James William Booth was returned to the Crawford County Jail by Sheriff Clough from Marquette Prison as a material witness for a pending circuit court case. Ronald D. Clay of Springfield, Ohio was cited for speeding on I-75.

Two men, Guy Ashton and Donald Kohnert, both 20, and both of Grayling, are being held by Sheriff Clough on charges of larceny from an unoccupied building. They are lodged in the Roscommon County jail in lieu of \$1,500 bond each, pending circuit court trial this week. The men are charged with taking at least \$1,000 worth of guns and liquor from the Harry Goodhue lodge on the main stream of the AuSable 12 miles from Grayling. The department assisted at three fire calls, one in Maple Forest, South Branch Township at Smith Bridge, and the Jim Collins' home in Karen Woods.

Four sixteen year old boys of Saginaw and one 18 year old were apprehended by the Sheriff's Department on a citizen's complaint for assault with a deadly weapon. The 18 year old was arraigned in Justice Court and the minors were turned over to Probate Court for further action.

Fourteen motorcycleists were evicted from the main camp area at Camp Grayling by request of the Camp Commander. Over the Fourth of July holiday, the County was fortunate in having only four PD accidents with no personal injury accidents reported.

CEDERBERG'S AIDE HERE JULY 16th

This month's visit of Congressman Elford A. Cederberg's district staff man to Crawford County is scheduled for Tuesday, July 16. Walter Nakkula will be in the courthouse in Grayling between the hours of 2 p.m. and 3 p.m. on that day.

Area residents having views they would like to have referred to the Congressman, or specific problems they would like to have him handle involving government agencies, are urged to contact Nakkula.

August being vacation month, Nakkula will not be making his usual visit to this county.

Canoe Race Times Set

The Grayling Regional Chamber of Commerce today announced the dates for the running of the Annual AuSable River Valley Canoe Marathon. Kenneth Carlisle, Chairman of the Grayling Race Committee, has stated that the Canoe Race would be starting from Grayling on Saturday, August 3, at 11:00 a.m., with stops on the Mill Pond in Grayling to be held at 7:00 p.m., Friday, August 2.

The Race start for this year's event will revert back to the historical starting point of Ray's Canoe Livery. At this point the racers with canoes will actually hit the water, but there is a distinct possibility that the starting point will be the Crawford County Court House lawn with the racers portaging from the Court House to Ray's and actually time beginning at the Court House in downtown Grayling.

The Race this year will be a two - day affair with Mio as a stop - over point on Saturday night, August 3, and a ten-hour run from Mio to Oscoda on Sunday, August 3.

Carlisle also stated that there will be an amateur and professional class with the amateur class going all the way this year to Oscoda.

Crawford County Recreational Activities

Fishermen on the AuSable River — main stream, south branch, and Upper Mainstem River are giving way to the recreational activity of canoeing. All 125 miles of canoeing trails in Crawford County are crystal clear, with normal stream levels, and rising water temperatures.

Patient early morning or evening canoeers have an excellent opportunity to view the wildlife of the county. It's lawn time and deer with fawns are a common sight along the canoeing trails. It's also baby time for mink and otter, and the waterfowl of the region. The earlier you are on the Rivers or the later, the better chance you have of viewing nature at her best.

Huckleberry pickers can look forward to another year of bumper crops. Recent rains have greened the forest and huckleberry areas. With warm, sunny days, the first berries should be coming on this weekend.

The May Fly or Caddis activity is still sputtering. Last week saw a flurry of activity on the lower reaches of the south branch, north branch, and main stream AuSable. Historically, the big flies should be appearing on the faster waters of the AuSable Watershed any warm evening. Daytime activity is limited to Wakeley's Yellow Bug and Skunks. These two flies are a sure bet for trout when fished close to the banks.

Pan fishing on Lake Margrethe, Shupac, K.P., and Bradford Lakes has improved with nice catches of perch and bluegill being reported.

Keep our region free of litter.

Indiana, Michigan, Alabama, Ohio

Indiana's 38th Division Artillery units will join the bulk of Michigan Guardsmen at the training reservation during 13-27 July. Also in camp will be Ohio's 1st Battalion, 136th Artillery. Michigan units will have a strength of over 4,000 Guardsmen while Indiana and Ohio will account for an additional 2,000 artillerymen.

Starting on July 20, the 157th Tactical Control Group, with units in Missouri, Alabama, and Wisconsin, will set-up operations at the Grayling Airport for their annual two weeks of training. The "Bird" men will number some 350. Along with the airmen

will be nearly 200 Michigan Guardsmen from the 1463rd Trans Co (Acft) (DS).

The 115th Tactical Control Flight, Alabama Air National Guard, from Dothan, Alabama, will train at Grayling for the second year in a row according to information received by the Avalanche from Lt. Colonel Charles W. Smith, commander of the unit. The 115th along with the 128th Tactical Control Flight from the Wisconsin Air National Guard, Cudahy, Wisconsin, spent four and one-half weeks at Grayling during July, 1967.

Lt. Col. Charles W. Smith and a survey party, from the Dothan unit, were in Grayling several weeks ago to finalize plans for use of facilities at the local airfield through contact with Major Rutkowski, training site commander at Camp Grayling and Major Sloan the Michigan US&FO representative at the camp.

Colonel Smith advises that the unit volunteered to return to Grayling and that they are all looking forward to the return

I-75 Completion Set for 1972

The State Highway Commission is moving to close the 60-mile gap in the Interstate 75 Freeway between Standish and Grayling by early 1972, its vice chairman said today.

At the dedication of 25 miles of I-75 between Bay City and Standish, Wallace D. (Mike) Nunn of East Tawas, said 14 additional miles are under construction and that the Commission plans to begin awarding contracts in November for the remaining 46 miles.

"Based on a recent review of our progress, we expect that the final link with I-75 at Grayling will be ready for traffic by late 1971 or early 1972," he said.

"Early next year we plan to open the next section extending the freeway an additional 12 miles to M-33. The next two miles, to the Arenac-Ogemaw County line, is scheduled for completion in the fall of 1969."

"Beginning in November and extending through February, 1970, the Highway Commission plans to award contracts for the remaining 46 miles on Ogemaw, Roscommon and Crawford Counties, tying in with I-75 south of Grayling."

The 25 miles of freeway dedicated marked completion of 80.6 percent of Michigan's allotted Interstate system compared to about 65 percent completion nationally.

Michigan now has 872 miles of Interstate in addition to 488 miles of state freeway.

Although officially designated I-75, the new stretch of freeway will be known as US-23 until the connection is made at Grayling. Through I-75 traffic will continue to be routed over the US-10 and US-27 freeways between Bay City and Grayling via Clare.

The old route of US-23 between Bay City and Standish has been signed as US-23A.

Joining with Nunn at triple-header ribbon snipping ceremonies at Pinconning, Linwood and Standish were Henrik E. Stafseth, state highway director; Daniel Watt, Michigan Division engineer for the U.S. Bureau of Public Roads; several state legislators and local officials.

The Stupid Goat

A commuting writer for The News - Sun, Kenosha, Indiana writes of what he sees along the road to and from work: "... we've noticed a white billy goat with his head through the fence of the road. He seems to be waiting patiently help to extricate him because his horns turn back and he's caught like a fish in a gill net. He really relish that lush grass just beyond the fence and he seems confident that someone will pull him out. The episode struck us as being so parallel to the situation of we Americans today ... so love that lushness just beyond what comes the sweat of our brows that we've been tempted and our freedom and we lose it until the man is along to help us out ... What would happen if farmer got tired of loosening the stupid goat, or involved elsewhere?"

When we expect government to solve all problems for us and guarantee our security from the cradle to the grave, we are indeed acting the stupid goat.

Insisting on the right - of - way without regard for safety is a good way to end up "dead right." Portland, Oregon, Traffic Safety Commission asks drivers to give a little. It's one of the first principals of defensive driving.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

July 12, 1915

Douglas F. Bishop, who recently was honorably discharged from the Army Air Forces, accompanied by his family arrived here on July 4th to visit his mother Mrs. Matilda F. Bishop. Doug has served as a Flight Engineer for nearly four years with the Air Transport Command, piling up more than 2,500 hours flying time. He has been awarded three campaign ribbons and was decorated with the soldiers' medal for meritorious service. Doug was given a medical discharge after suffering internal injuries resulting from several crashes. He and his wife and young son, Douglas Alan Bishop left today to return to Los Angeles where Mr. Bishop will be associated with the Bohemian Distributing Co. While here the Bishops enjoyed a 60 mile trip down the AuSable with Mr. and Mrs. Don Gothro.

The Army Air Forces through Major M. L. Bradford, Kiwanis speaker Wednesday has offered the facilities of the Grayling Army Air Field to the City of Grayling. Spilling before the club, Major Bradford said, "The Grayling star is a field is no longer needed as the emergencies which created it no longer exist. The AAF therefore offers the field on lease to the city. A city-wide committee was named to study the situation. Royale Wright will act as chairman with Charles E. Moore, C. L. Johnson, George Granger, Arthur Clough, Dr. J. F. Cook, Hans Peterson, Roy Trudgeon and Robert Strong working with him. The committee will meet tonight at the court house at 8 o'clock.

The Entertainment and Recreation Center which was opened Saturday night at Camp Grayling, is proving very popular with the State Troops, according to reports from the camp and from the women who have worked there. About 300 men have visited the center each night and many of them have made favorable comments regarding it. The project is operated under the auspices of the American Women's Volunteer Service, a national organization which specializes in many types of volunteer service to both civilians and service men. All local organizations are co-operating by furnishing personnel for the canteen and a captain for the Junior Hostesses for one night each week.

With a 10 to 1 vote to set aside the 15 mill limitation for five years to create a building fund and a vote of better than 5 to 1 on proposition two, the annual school meeting adopted a 5 mill raise in taxes in the Grayling School district. The vote on Proposition one was 50 yes, 5 no, and one ballot spoiled. The balloting on proposition two was 44 yes, 8 no. G. Jerome Kessler and George Granger were elected to three year terms on the school board. They will take the places of T. P. Peterson and James McDonnell.

Steven Jennings of Hazel Park has been spending two weeks at his cabin at Shaws Park.

Rev. and Mrs. E. A. Benedict have been spending a couple weeks at Bear Lake. They report the fishing to be good.

Mr. and Mrs. R. A. McClimon and daughter Betty of Greer, South Carolina were guests of Mr. and Mrs. Frank G. Canfield, at Camp Sunshine Lake Margrethe several days last week.

Mr. and Mrs. Arthur Parkinson of Bay City and Mr. and Mrs. Charles Parkinson of Detroit spent several days last week at the home of their parents, Mr. and Mrs. Claude Parkinson.

Miss Mildred Smith is home from Washington, D.C. where she is employed, to spend two and a half weeks with her parents, Mr. and Mrs. Jappe Smith. Betty Rasmussen with friends, Lois Gift and Bernice Boddy all of Marlette spent last week end at the Penrod cabins. Mr. and Mrs. Einer Rasmussen, parents of Betty, plan to spend this coming weekend as guests of Mr. and Mrs. Adam Gierke.

Mr. and Mrs. Harold Cliff left Sunday for their home in Detroit after spending two weeks at their Lake Margrethe cottage.

Mr. and Mrs. Harry A. French of Jackson are spending the summer at their cottage at Lake Margrethe. The Frenches have been coming to the lake for over 30 years. French has retired from the Electrical Mfg. Division of Fairbanks, Morse and Co. where he served as a supervisor for 30 years at their factories at Indianapolis, Ind. and Beloit, Wis.

Mr. and Mrs. K. K. Kitchen with sons, Marty and Jimmy spent the weekend in Detroit, the purpose of the visit being to see the Tiger - Yankee baseball game.

Mr. and Mrs. J. E. Vally of Pinconning, Mich. spent a few days last week with Valley's sisters, Mrs. Theo Visnaw, Mrs. Estella Greanya and Mrs. Azro Day.

Mrs. Leon T. Visnaw and sons, Thomas and James of Bay City spent the weekend with Mr. and Mrs. Theo Visnaw. Their son, Leon T. Visnaw, ACMM is flight commander on the U.S.S. Midway.

Mrs. Gerald Peterson of East Lansing, wife of Lt. Col. Peterson now in Germany, spent last week with her parents, Col. and Mrs. R. C. Vandercook. Friday evening the Vandercooks entertained at Louis cabin in honor of their daughter's birthday. Guests were present from East Lansing, Lansing and Mullet Lake.

July 12, 1922

Earle Hewitt has resigned his position at the Simpson Grocery and is assisting as soda dispenser at the Shoppenagons Cafe. Jensen Ziebell is the new delivery man at the Simpson Grocery and Ernest DuVall is filling Mr. Hewitt's place as clerk.

A daughter was born to Mr. and Mrs. M. Brenner at Mercy Hospital Saturday. The little girl has been named Elaine.

Einer Jorgenson has resigned his position as deliveryman at the Connine Grocery and expects to leave soon for Milwaukee to enter an electrical appliance school. Phil Quigley is assisting in the Connine Grocery.

Mr. and Mrs. Johannes Rasmussen left Monday afternoon for New York from where tomorrow they will sail for their native home in Denmark. Their passport read one year.

Grayling Board of Trade is putting out 3,000 of the Northeastern Michigan Resort folders on which they are advertising Grayling and free camping grounds on Lake Margrethe, formerly Portage Lake.

The Grayling Fish Hatchery will close down this week. They finished this year's planting which was 4,705,000 brook trout and 670,000 rainbows.

As usual the attendance at the annual school meeting was small there being just 13 legal voters in attendance, 10 men and three ladies. The usual reports were offered. Dr. C. R. Keyport, whose term of office expired at this time was re-elected for another term of three years. Thorwald P. Peterson received five votes out of 13 cast. President Keyport and secretary M. A. Bates gave a report on some of the things accomplished during the past year.

Through the compliments of Marius Hanson, the Board of Trade will enjoy the pleasure of a radio phone which will be installed in their club rooms soon.

The Grayling Avalanche
Grayling, Michigan
Editor:

The way I see it, 27 years of vacations and hunting and fishing trips to the Grayling area, plus nine years of property owning in Crawford County, gives me the right to express an opinion.

For the past year, I have been trying to find and buy a small piece of ground in Crawford County that I could use as a place to semi-permanently park my new, clean, well furnished house trailer. In every case but one (this area was barren of trees altogether) I have not been able to buy because of Township ordinances prohibiting trailers altogether or prohibiting all but the 10'x50' models.

And yet, these people who say to me, "We do not feel that a small, neat trailer measures up to the standards by which we live here," are the same ones, in the Grayling area, who have let the mainstream of the AuSable River become the stinking, sewage and trash-filled mess that it has become. These are the same people in the Roscommon area, that have allowed human and municipal waste to pollute the South Branch of the AuSable River until the State has seen fit to cite them for it.

Well, I agree! Your standards

W.W.I BARRACKS AND AUXILIARY

Both the Barracks members and the Auxiliary began their monthly meetings with a potluck supper at 6:30 July 2 at the Legion Hall. This was followed by a meeting of the Auxiliary and then a social hour afterwards.

At the Auxiliary business meeting Mrs. Mary Gendron was elected publicity chairman. Cards were signed by all to go to Nola Laurant and Edna Feldhauser, both in Mercy Hospital. Meetings of the organization are held the first Tuesday of each month. All eligible persons are invited to join. The next meeting will be on August 6th. Mary Gendron, publicity

Balancing a brimming pan of water between refrigerator and sink, "two-stopping" to avoid spills, and mopping up the messy drippings afterwards, is no life for a 20th century homemaker! So what if the old frost-builder does still work? Think about the racket it makes — and the freezer compartment with more ice than food — and the embarrassment of running out of ice cubes when you're entertaining. Isn't it time you got rid of that round-shouldered relic and marched down to your electric appliance dealer store for a modern, frost-free refrigerator-freezer?

Enters New District Judge Race

James N. McNally of Rt. 1, Roscommon, has announced his candidacy for District Judge — 83rd District which includes the counties of Crawford and Roscommon.

McNally was born in Saginaw on January 29, 1901, is married and has 22 grandchildren. He joined the Saginaw Naval Reserve in 1921 and presently is a Lt. Commander U.S.N.R. — "R". He served five years in World War II including 19 months overseas.

In 1933 he was elected Justice of the Peace in Grosse Pointe Township which office he resigned to become Prosecuting Attorney in Wayne County in 1947. Later on he was in business with his two sons James N. McNally III and Gerald A. McNally. In 1939 the parents of McNally moved to Lyon Township, Roscommon County. Six years ago McNally and family moved to Roscommon. Since that date, he has served the County either as Assistant Prosecutor or as Special Prosecutor excepting for a six month period when at the direction of Judge O'Keefe he was recalled to act as Assistant Prosecutor.

In the past five years McNally has tried three murder cases, embezzlement, safe cracking and many larcenies and breaking and entering cases.

McNally is a member of the State Bar, the Michigan Supreme Court and the U.S. Supreme Court, a graduate of Detroit College of Law 1927. He is a member of the Veterans of Foreign Wars, American Legion, AMVETS, K of C and Elks.

Need for Recreation Bonding Seen

By Willard Bossman
 County Extension Natural Resource Agent

Occasionally I float the AuSable with the study coordinator, Lou Ann Higgins and Jim McGinnis, stern paddler. On our last trip we saw evidence of over-use of canoe camps, and pull outs. The result was, stream bank erosion. The Conservation Department is doing what they can to halt the erosion with what money that is available; however, at present it is not enough to protect the banks from foot traffic which keeps them bare and subject to erosion.

Glenn Gregg, deputy recreation, Department of Conservation, told me that some of the funds from the 100 million dollar bond would be used to expand recreational facilities and correct soil erosion problems that exist at these sites. He hastened to point out that this is only a small part of the demand for the funds. They will also be used for fisheries, game, parks forestry and that local governments will use some for recreational facilities.

The AuSable River is only one of many rivers in Michigan that will need expanded facilities. Without the funds, however, very little can be accomplished in expanding public sites so that erosion caused by over use of existing sites can be stopped.

Much soil erosion was noticed

To Open Bids For M-72 East Work

LANSING—The State Highway Commission will open bids July 17 in Lansing for 31 highway construction and improvement projects in 27 counties. It was announced today.

Total estimated cost is \$18.5 million, including more than \$15 million for two freeway and two paving projects in Ingham, Kent, Saginaw and Wayne Counties.

For the first time, bids will be opened in the main-floor auditorium of the new State Highways Building on Ottawa St. In recent years, bid openings have been in the Lansing Civic Center.

Projects, estimated costs and scheduled completions are:

Crawford County — Non-skid surfacing on six miles of M-72 east of the I-75 Business Loop. Estimated cost, \$20,000. Scheduled completion, 1964.

Tooth Decay End Is Called Likely Within Ten Years, Expert Says

Tooth decay, a disease that affects at least 98 per cent of Americans may be preventable within 10 years, the director of the National Institute of Dental Research said recently.

Dr. Ronald J. Gibbons, one of three scientists, conducting this research explained that an enzyme, Dextranase, has been initially successful with animals in experiments to kill the microbes that attack the teeth and create cavities.

Several research groups are trying to find a comparable key to the plaque that is formed by another group of bacteria, called diptheroids, which are thought to be a major factor in periodontal disease and decay at the base and roots of teeth.

PRESENTS PLAQUE — John Kavanagh presents "Recognition of Accomplishment" plaque signed by Governor George Romney to John Alef, local coordinator of the tour. Kavanagh is Chief of Industry Division, Office of Economic Expansion, Michigan Department of Commerce.

Industrial Tour Termed Success

The Grayling region, when it played host to the 1968 Community Industrial Review under the auspices of the State of Michigan Department of Commerce, was lauded by William Boyd Jr., the coordinator of the tour.

He stated that never since the inception of the tour group have they ever received such tremendous welcome or such genuine hospitality as they received when they toured the Grayling region on Tuesday, June 25.

Through the combined efforts of the Grayling Regional Chamber of Commerce, the Grayling Regional Development Corporation, the Grayling State Bank, local businessmen, and manufacturers the five hours the tour group was in the Grayling region will be a day long remembered.

The Industrial Review Tour Group, consisting of 11 downstate executives and State of Michigan Department heads and traveling by chartered bus, was met by the Grayling City Police at the City limits and escorted to the Chief Shoppenagons Motor Hotel where they were welcomed by municipal and business leaders of the Grayling region and were given further introduction to Grayling with music from the Ohio National Guard Band.

After an hour and a half tour of the municipal facilities, local industry, industrial sites, residential areas and further points of interest, the group met for an analytical survey of the area at the Fred Bear Museum conference room.

Boyd reiterated his remarks made at the welcoming ceremonies when he stated that never had the tour received such a grand welcome as they had when they arrived in Grayling. He

further stated that the impressions he and his group have of the Grayling region were excellent and he commended the area on the progress it has made.

The conference was then addressed by Harold Davis. He stated that in surveying the Grayling business district that generally the visual aspect was good. Our marketing area was modern, our streets wide and clean, and that with a bit of paint and a little general maintenance our business district would be second to none.

Ross E. Lowes followed on the panel and told of the work done by the Grayling Regional Planning Commission and that Grayling was one of the first northern areas to set up comprehensive planning for the region. He stated that every two years a survey is to be made by his office on the work done by the Planning Commission and that this year Grayling would have a comprehensive survey made of the work of the Planning Commission.

John Kavanagh was the last speaker on the panel and spoke on the subject of further industrial development and the question of how far the community was willing to go to secure industrial development. In answer to Kavanagh, Earl Longworth of the Grayling Chamber of Commerce, said that the community wanted to be selective in the type of industry wanted and that new industry would have to meet the standards that our existing industry has established. Longworth stated that our present industry is rapidly expanding and at a rate commensurate with our abilities to take care of it.

At the dinner following the conference, Kavanagh presented a "Recognition of Accomplishment" plaque signed by Governor George Romney to John Alef, the local coordinator for the tour, and thanked Alef for a well planned and comprehensive day in Grayling.

Alef then stated the "Recognition of Accomplishment" plaque should go to the Grayling Regional Chamber of Commerce as it was the Chamber Office that had done the necessary work and planning that made this tour possible.

GROUP FORMED TO BUY MISSOURI RADIO STATION

Robert Dana MacVay, treasurer of the Crawford County Avalanche, announced this week that he has formed a new company to purchase, subject to Federal Communications Commission approval, radio station KLIK in Jefferson City, the capital of Missouri. KLIK was purchased from the Panax Corporation of East Lansing, Michigan. KLIK radio operates with 5,000 watts of power on 950 K.C. Mr. MacVay said that the new company, which will be known as "KLIK Radio 950 Inc." paid \$575,000 for the broadcast property.

MacVay is a registered representative for H. B. Shaine and Co., members of the New York Stock Exchange in Flint, Michigan. As well as being treasurer of the Avalanche, he is treasurer of the Clare Sentinel in Clare and the Oscoda County Herald in Reed City, Michigan.

BITS O' TALK

Mrs. Louise Smith's son Lewis of Ypsilanti and her sister, Mrs. R. L. Bailey from Arlington, Va. came up last Wednesday night. Mrs. Bailey will visit with her sister till July 14.

Mr. and Mrs. Carlisle Barber of Lansing are staying at their cabin on the AuSable.

Mrs. Harold McIntyre Sr., her son Ray and his son and daughter spent the July 4th weekend at the McIntyre cottage, Shaw Park.

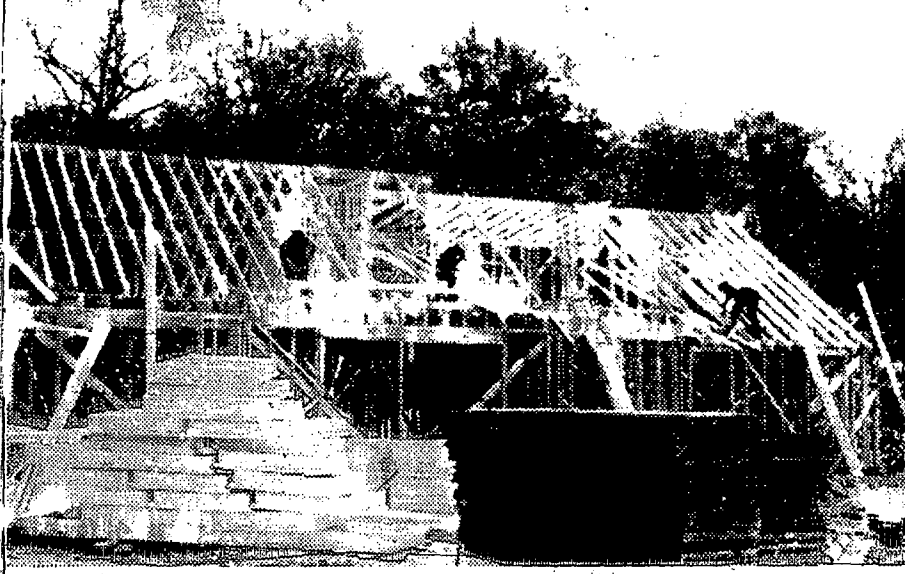

Mr. and Mrs. Les Powers went to Detroit the weekend before last on business, and to visit friends and relatives.

Mr. and Mrs. Vera Essenberg and family from Grand Rapids spent a few days during the last week in June with her parents, Mr. and Mrs. Ernest Larson, AuSable Trail. The Essenbergs left on Saturday afternoon because Vera had a church service in the morning and evening in Atwood. The Larsons attended the church service in the morning and the Shook family reunion in the afternoon.

Pearl Packer of Ottawa St. had a visitor from Flint for a few days, Mrs. Anna Taekema.

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

MOOSE LODGE ACTIVITIES

On July 4th several members helped with our Civic Affairs Project of helping the City Police and Firemen. They set up and moved the barricade on Main Street, helped control traffic during the parade, then helped firemen during the afternoon. They were also on "standby" in case the firemen were called to a fire. During the fireworks they kept the people out of restricted areas and again, were on fire standby. Civic Affairs Chairman Chuck Stoddard passes on to those members that helped, the appreciation expressed by the police and fire chiefs, along with his own appreciation.

Sunday, July 7th, the Degree Team enrolled ten new members

into the Cadillac Lodge. The team was received very well and was asked to return at a future date.

This Sunday members of Legion Degree will meet for their monthly breakfast. It will be another fine affair, starting at 11:00 a.m. in the newly redecorated basement. You should plan to attend, just to see the basement. It really looks nice. We have a nice dining area as any lodge in the state. Only a few fine touches are left.

Help your officers and lodge, attend meetings.

RED CROSS ANNUAL REPORT

The annual meeting of the
Crawford County Chapter, Amer-
ican Red Cross was held June
20 at the Grange Hall, with nine
people present.

The meeting was called to or-
der by chairman Laura Morse.

A resume of the year's ac-
tivities including a meeting of the
Chapter in March with a rep-
resentative from the State office
attending. He had only 30 min-
utes to devote to discussion, so
very little was accomplished.

Mrs. Morse and Mrs. Moore
attended a meeting in Roscom-
mon attended by a field rep-
resentative.

Mrs. Mary Jorgenson, Treas-
urer, reported she had received
a total of \$1153.26 during the
year, and has a balance of \$848
on hand. She paid out \$773 to
the National Red Cross organiza-
tion and also rent on the loan
closet. \$31.34 was spent on cof-
fee and sandwiches for fire
fighters early in May during the
forest fires in the southeastern
and southwestern parts of the
county.

Auditing of the books was dis-
cussed and the treasurer thought
money should not be spent for
such a small amount. There will
be another audit after June 30.
Mrs. Jorgenson also reported
that a Red Cross worker is
assigned to Camp Grayling dur-
ing the National Guard occupa-
tion. She has an office at Camp

during the day and a room with
telephone at night for her work
in service to military families.
Chairman Morse stated she
had a letter of resignation from
Mrs. Jorgenson as of July 1.
Mrs. Jorgenson has been in Red
Cross work since 1940, with 20
years as secretary or treasurer.
Expressions of appreciation for
her many years of faithful and
efficient service were given by
her co-workers.

Mrs. Moore, Blood Bank chair-
man, gave a report on the Blood
Bank program. The new regis-
tration forms were displayed.
The expected number of pints is
100. The next date is July 30. The
hospital reports a 2 percent re-
turn for the year to Lansing of
unused blood which is excellent
management.

Mrs. Moore also stated that
she had assisted Houghton Lake
with posters when they were
getting organized. There was dis-
cussion on having posters made
for Crawford County. A price of
\$50 for one thousand posters was
quoted. There was a motion by
Mrs. Jorgenson, seconded by
Mrs. Muth that Mrs. Moore pur-
chase the posters. Motion car-
ried.

Mrs. Scheer reported on the
Fund Drive. \$1,400 was collected
in the fall and \$340 in the mail
campaign this spring for a to-
tal of \$1740.

Mrs. Morse reported that a
new organization is being
formed, to be known as the
Crawford County Community
Services. Mrs. Morse explained
that Red Cross can help in any
disaster if 500 or more families
are involved. Also Red Cross
is not responsible in civil dis-
order but can assist in services.
Under new business, Mrs. Morse
explained that each township
makes it own appointment of a
board member.

New officers elected are Laura
Morse, chairman, Cheryl Peter-
son, vice chairman; Matilda
Cruickshank, secretary; Arlene
Williams, treasurer. The chair-
man of service to military fam-
ilies is to be appointed by a
committee of Mrs. Morse, Mrs.
Moore and Mrs. Muth.

It was suggested by Mrs.
Moore that dates of the next
meeting should be set at cur-
rent meeting. Sept. 12 was set
as date of next meeting, time
7:30 p.m. Place to be determined
later.

Mrs. Jorgenson suggested a
chairman and vice chairman be
appointed for the Fund Drive,
with the vice chairman assum-
ing chairmanship the second
year and the new vice chairman
being appointed each year.

Chamber
Minutes

Regular meeting of Grayling
Regional Chamber of Commerce
June 20, 1968, Penguin Inn.

The meeting was called to or-
der at 12:05 p.m. by President
Burns.

Members present: Allan Bark-
ley, Gerald Burns, Ken Car-
lisle, Bill Kraus, John Latuszek,
Harold Macklon, Mahlon Riker,
Sal Truettner, and Don Welsler.

Members absent: Ray Elsey,
Chuck Fick, Clyde Borchers, and
Ed Rutkowski.

Also present: Manager Earl
H. Longworth.

The minutes of the June 8th
meeting were approved as print-
ed.

COMMUNICATIONS:
Manager Longworth read a let-
ter from the Indiana National
Guard asking if the Chamber
would be hosting, as in the past,
the Enlisted Men's Luncheons.
If so, they would be receptive to
the date of August 8th as most
convenient for them. Also, the
date of the Indiana Civic Day
Program would be August 6th.

Manager Longworth read a let-
ter from Ray Voss of the Grand
Rapids Press complimenting the
Chamber for the fine story and
layout on the Crawford County
Sheriffs Canoe Patrol. This story
and copy will be picked up by
the Sunday edition.

Manager Longworth also ad-
vised that the same story and
photos would be picked up by
The Lansing State Journal and
The Bay City Times.

REPORTS OF COMMITTEES:
A treasurer's report was given
by Treasurer John Latuszek, and
a list of bills presented. Motion
by Bill Kraus, seconded by Mah-
lon Riker, that Marge Roper
(Business Secretary who resign-
ed in early May) be paid for one
vacation week.

Mahlon Riker — Membership
Committee: Reported that a few
delinquent members had been
contacted and that call-backs
will be made.

President Burns reiterated
that personal calls must be made
on these few delinquent mem-
bers, and that he would like to
see the entire matter cleared up
before the next board meeting.

Chuck Fick — Nominations
Committee: Absent and no re-
port given.

Sal Truettner — The Better-
ment of the Community: Advised
the Board that pictures would
be taken of the undesirable prop-
erty in the City and some meth-
od of clean-up of these properties
would be attempted.

Donald Welsler — President of
the Grayling Regional Develop-
ment Corporation: Reported on
the 1968 Community Review and
also the Development Corpora-
tion's newly constructed house.
This house will be open for in-
spection on Saturday and Sun-
day, June 22 and June 23. Fur-
ther, the Board of Directors had
decided that they would have
regular Tuesday noon luncheon
meetings the first Tuesday of
every month. The next regularly
scheduled general membership
meeting would be held July 9
at the Hotel.

Earl Longworth — Winter Ac-
tivities Committee: Informed the
Board that a Winter Activities
meeting had been scheduled for
Thursday, June 27 and that a
full report of the meeting would
be made at the next board meet-
ing.

NEW BUSINESS:

Sal Truettner volunteered to
act as local coordinator for the
three National Guard — Enlist-
ed Men's Luncheons that the
Chamber will be holding for the
summer.

At 1:15 p.m. a motion was
made by Allen Barkley, second-
ed by John Latuszek, that this
meeting be adjourned.

Letters To The
Editor

Louis K. Cramton
120 Mertz
Midland, Mich. 48640
July 3, 1968

Editor Madson:

Please permit an "outsider"
to salute your community for its
far-sighted recognition of the
problems presented in the sav-
ing of the AuSable for the en-
joyment of generations yet to
come — and for its community
spirit bringing many seemingly
conflicting interest groups to-
gether to work out solutions for
those problems.

The conflict is more apparent
than basic.

If everyone does not join in
the cooperative effort to save the
AuSable — all will lose out in
the end. And the end is not dis-
tant if steps are not taken now.

What can we "outsiders" who
love the area do to help further
the efforts of the AuSable River
Watershed Study Council?

Sincerely,
Lou Cramton

Paid Political Adv.

(Paid Political Advertisement)

To The Citizens of the
103rd Representative District

From

State Representative

Nelson G. Tisdale

(R-Midland)

The past two years in your Legislature have been the busiest of my life. From the nearly ten years experience I have had as your representative, and comments of colleagues who have served twenty years or more, I can truthfully conclude that the 74th Legislature has handled more highly controversial and emotional issues than any previous Legislature in state history.

Because of the unusually heavy commitments in your behalf at the State Capitol, I have had to curtail my normal schedule in the district while we have been in session. Although this has been necessary, it is also regrettable, because I believe that a representative should and must spend as much time as possible meeting with constituents. However as your elected Representative, my first job is to spend my time in Lansing on the job I was elected to.

Now that we have concluded most of our work at the Capitol, I am available to meet at ANY time with individuals and groups throughout the 103rd District. During this campaign I believe it is my responsibility to discuss with you the important issues of the past two years, and the many important issues that are before the Legislature for coming years.

During the last two years there have been many subjects that we could have taken the political "safe" course of avoiding. Instead we faced the crucial problems of our state, such as fiscal reform, crime and riot control, equal opportunity for all citizens, greatly improved school aid, pollution, traffic safety and many more. In facing these issues squarely, I think we have established a remarkable record of achievements. But there is still much to be done in the future. To help meet these challenges for the future, I ask your help by making your views known to me.

Please feel free to contact me at my home (835-4396) or my Lansing office (373-1791) to discuss these issues personally or with your group. It's been an extremely tough and productive legislative session, and it's good to be back home. I hope to meet with as many of you as I can in the coming weeks.

Homemakers Assemble

Over 600 Michigan homemakers assembled at Hubbard Hall, Mich. State University, from the 25th through the 28th of June for the annual "College Week for Women."

The theme this year was "You and your Land-Grant University serve the world."

College Week for Women is designed to provide homemakers with knowledge that will improve the quality of living in the home, community and the world. It contributes leadership development and personal enrichment. It provides organizations with ideas and material for programs on health, safety, international understanding, citizenship, emergency preparedness and consumer responsibilities.

The classes were excellent and on varied subjects, namely: Michigan History, Nutrition a-

round the world, Three R's of Reading, changing Scene in Housing, Art in the Home, Focus on Health, The Universe we live in, Focus on Safety, Psychology for Modern Living, Religion and cultures of the world.

On Wednesday evening, the homemakers were served a Michigan dinner. All the foods served were produced here in our own great state. At noon Thursday, an International Fashion Show was held in the dining room of Hubbard Hall. While an orchestra played in the background, authentic fashions of 12 countries were modeled by wives, mothers, homemakers and community leaders of Michigan. Narrators were: Mrs. Anne J. Wolford, Home Extension Program Leader and Joan Jewett.

Crawford County was represented by the following members from the Lovells Home Extension Study Group: Mrs. Jack Bates, Mrs. Pat Harwood, Mrs. Harold Johnson, Mrs. Fred Koernke, Mrs. William Koernke. Despite an over abundance of rainfall, it was a very enjoyable week.

SPORTS FAIR

I
BET
YOU
DIDN'T
KNOW

By Bill Scheer

Did you know that very few men over 6-foot tall ever become great golfers? ... If you name all the best pro golfers of recent times, you'll find that almost all of them are 5-foot or less. ... Arnie Palmer, for instance, is 5-10 1/2 — Gary Player 5-7 — Gene Lister is 5-9 — Jack Nicklaus is an even 6-foot — Billy Casper is 5-11 — Sammy Snead 5-11 — Ben Hogan is only 5-9 — It's rare indeed when you find a great golfer much over 6-foot.

How fast could you drive a car in the "old days"? Well, the first auto race in the United States was held in Chicago on Thanksgiving Day, 1895. ... It was a 50-mile race, and the winning car, driven by famous inventor Frank Duryea traveled at the average speed of — believe it or not — 7 1/2 miles per hour!

I bet you didn't know that a great deal of auto safety (where the car is involved, not the driver) depends on how well your dealer checks your car on delivery! Bill Scheer, Chevy, Olds & Cadillac checks every possible area of failure on each new and used car prior to delivery! Be safe, be sure, Buy Scheer.
